

Axis Locker.

The Axis locker is a secured storage locker solution for multiple-user needs. To keep each user's belongings private and safe, each locker compartment has a factory-installed lock and a set of 2 keys. The locker has both three-door and double 6-door options available. The locker has 18 mm White melamine on an E1 grade substrate with a matching PVC edge. It also has flush-joined construction and includes white powder-coated steel feet with glides for leveling adjustment.
